2009/10 PATRON SPONSORSHIP PROGRAMS

We encourage you to become a patron of our theatre! The Egyptian Theatre is a non-profit organization. Your contribution directly supports our stated mission and our guiding principles.

We rely on fabulous patrons like you to provide us the means to fill our stage with wonder. In exchange for that support, we want you to feel fully valued and become a member of our family. We offer marvelous packages that serve as a big thank you from us to you. You become a real part of the theatre and all of its social aspects.

None of the funding we receive from our patrons goes to pay for debt or overhead. All donations are safeguarded and used to facilitate and sponsor our shows and programs. Currently, we are seeking sponsors for both our Christmas and spring theatrical performances. We will be producing "A Christmas Carol" for our Holiday performance and we are considering "Hair" for our February/March show. Additionally, we are seeking support for *Imagine – Beatles Tribute* and *Satisfaction, a Rolling Stones Tribute Band* – for a British Invasion week.

Our patrons are offered several levels of support. Patrons seeking custom packages, donation opportunities, or benefits other than those presented in our Patron Sponsorship Program please contact: Director of Patron Relations: Brooke Hontz 435.645.0671 x24.
